Racewire.com

<https://racewire.com/register.php?id=12506>

This race is in honor of Heather Olivieri, who passed away in 2019. She was a 41 year old mother who lived her life in Norfolk and loved running. In January 2018 she accomplished a long-time goal by finishing the Disney World Full Marathon, with lung cancer. In 2019 & 2020 three \$1000 scholarships were awarded in her memory.
